President's Fate Follows Rule Of Death In Office

WASHINGTON (AP) — President Kennedy's death continues the coincidence that Presidents elected at 20 year intervals in zero-numbered years die in office.

The list includes:

1840—William Henry Harrison
1860—Abraham Lincoln
1880—James A. Garfield
1900—William McKinley
1920—Warren G. Harding
1940—Franklin D. Roosevelt
1960—John F. Kennedy.

Roosevelt did not die in the third term to which he was elected in 1940 but during his fourth term.

Three of the previous Presidents on the list were assassinated — Lincoln, Garfield and McKinley.
